Jury: Excalibur Sculpture Foundry Artists

Entry Deadline: March 18, 2010

**Excalibur Bronze Sculpture Foundry invites sculptors from around the world to submit up to 3 sculptures to the 1<sup>st</sup> annual juried Excalibur Group Show: SCULPTURE 2010**

This international competition is open to both emerging as well as established artists and will be juried by the artists of Excalibur Bronze Sculpture Foundry.

Established in 1967 as a small metal shop catering to artists in Manhattan's West Village, Excalibur has since developed into a full-service fine art foundry with clients around the world. The winning sculptors will be selected by the Excalibur Sculpture Foundry Artist Panel and their work will be featured in a two week show and special opening event in conjunction with the EXCALIBUR CANDLELIGHT BRONZE POUR. For the first time, Excalibur will open its doors to New York City at night during the show's opening party for a very special bronze pour exhibition presented by the venerable 43-year old bronze sculpture foundry in the burgeoning arts hub of Ridgewood / Bushwick in Brooklyn, NY.

One Grand Prize winner will be announced at the opening and will receive a \$2,500 credit for Excalibur bronze casting services such as mouldmaking, lost wax casting and/or patination of their work. All exhibitors will receive recognition on the Excalibur website consisting of a photo of selected work and a link to their personal websites on the Excalibur website for the duration of the show.
